## **ANNUAL DINNER AND ELECTION OF OFFICERS**

### **MAY 8 at 4:30PM!**

Come out to our family style, potluck dinner at The Yankauer Pavilion. Bring a dish to share (if your last name starts with A - G, bring some type of protein, H - L, a starch, M - R, fruits and veggies, S - Z, desserts). Also bring folding chairs or a blanket to sit on, your own beverage and utensils (plates, silverware, etc.) Be prepared to take home all trash; we don't have garbage pick up at Yankauer. There will be a bird walk at 4:30 P.M. and an Owl Prowl at dusk. We're hoping to entertain you with music. Most importantly, come out to enjoy the beautiful scenery, the camaraderie and to applaud some of our outstanding volunteers.

## **FIELD TRIPS**

Saturday, May 8 Harpers Ferry National Historical Park. We will meet at the West Virginia Visitors Center on Rt. 340 across from the Harpers Ferry NHP parking lot at 7:15am. We will leave by 7:30 and walk down from the NPS parking lot botanizing and birding as we go. We'll walk into Harpers Ferry and take the park service shuttle back up the hill. With luck we should find lots of warblers and other migrating birds. Experienced birder or novice, you are sure to enjoy this trip and there'll be lots of good birds.

Saturday and Sunday, May 15 and 16. Join us for the 9<sup>th</sup> annual PVAS trip to Cape May, NJ. The migration will be in full swing and we should get lots of shorebirds, and songbirds. We'll go birding at the Lighthouse, the Meadows, Higbee's Beach and wherever else the birds may be! Hopefully it will be warm but bring rain gear, waterproof foot-ware and insect repellent! You'll need to make motel reservations soon. If you have questions let us know and do let us know if you are coming. Ken and I may leave as early as the Thursday before so please let us know by COB Wednesday, May 12. Phone 304-725-3936 or email at [phunter@npca.org](mailto:phunter@npca.org).

Saturday, May 22 PVAS will be joining the Loudoun Wildlife Conservancy in their monthly nature walk at the Blue Ridge Center for Environmental Stewardship on Harpers Ferry Road, Rt. 671 in Virginia between the Shenandoah and Potomac Rivers. We meet at the Neersville Volunteer Fire Station at 8:00a.m.

## President's Perch

Hi Everyone -

If April showers bring May flowers, we should have lots! So come join our Mother's Day wildflower and bird watching walks at our Yankauer Nature Preserve, or take a walk yourself—Yankauer is open every day dawn to dusk. And be sure to sign your kids up for the Yankauer Summer Day Camps, they are filling up fast (see our Web site, <http://potomacaudubon.org>).

Many thanks and congratulations to Jean Neely who was awarded a \$5,000 endowment fund by the Eastern West Virginia Community Foundation at their recent Spirit of the Panhandle ceremony in Shepherdstown. Jean received this award for her many services to the community which include founding PVAS. Jean has named our Yankauer Nature Preserve as the recipient of the endowment fund. We are hon-

ored Jean ... Thank you!

Our May meeting is our annual dinner and election meeting. We have decided to make it a pot luck picnic at Yankauer this year on Saturday, May 8. There will be lots to do and see in addition to the good food, so don't miss it.

We have a "Bird-A-Thon" every year as a fundraiser. I have agreed to sponsor the "Rocking Chair Birdwatchers" at my house. We will promise not to see more than 10 species, so even if you sponsor us at \$1.00 per bird it will only cost you \$10. I'm looking for folks to come join me on the veranda (drinks and food provided), Sunday, May 2, from 2:00-5:00 p.m., and of course, we need folks to sponsor us. So give me a call at 304-264-3482 or email at [dianamullis@aol.com](mailto:dianamullis@aol.com).

Hope to see you at some of our summer activities ... make it a good one! - *Diana Mullis, President, PVAS*

## THE BIRD-A-THON-RETURNS!!

As many of you already know, PVAS is adjusting to a new relationship with National Audubon, one that is resulting in little or no funding from them. To be able to continue to offer quality programs, scholarships and meet budget needs, PVAS will have to get more creative in order to stay financially viable. It has been a long time tradition in May for Audubon members to participate in The Bird-A-Thon. Money raised will go to PVAS programs. What a deal, great birding and camaraderie that helps PVAS directly! Here's how it works: you can contact one of the folks listed and arrange a mutually agreeable time to bird with them or offer to be their sponsors. Or you could simply decide for one day to count all the species you see in your yard then pledge, for instance, \$1 a species. If you spot 25 species that day you've raised \$25 for PVAS. If all members would participate in just this small way we could greatly enhance our financial health. Make your checks payable to PVAS and make a note on the envelope that it is Bird-A-Thon monies. Send to PVAS, PO Box 578, Shepherdstown, WV 25443.

LYNNE WISEMAN ([lewiseman@aol.com](mailto:lewiseman@aol.com) or 304.876.2539) – A long time Bird-A-Thoner with fantastic river habitat in her area.

BOB DEAN ([bobdean52@aol.com](mailto:bobdean52@aol.com) or 304.754.3042) – Call to sponsor Bob and Wil as they head out on A Big Day (counting all the species you can find in one day). Be forewarned, they may see more than 150 species!

WIL HERSHBERGER ([whershberg@aol.com](mailto:whershberg@aol.com) or 304.754.7517) – In addition to a local Big Day with Bob, Wil is in Arizona in May doing it again. He says he can let you know via e-mail how the count is going!

SUSAN BROOKRESON ([brookre@earthlink.net](mailto:brookre@earthlink.net) or 304.263.2823) – Join me in Berkeley County and I will treat you to a lunch break at my place.

JEAN NEELY ([jeaneely@ix.netcom.com](mailto:jeaneely@ix.netcom.com) or 304.876.2410) – Jean will take you to an exquisite 365-acre mountain paradise that PVAS may be offered to oversee. Come give us your opinion about this property and enjoy the scenery in Morgan County while raising funds for PVAS.

DIANA MULLIS ([dianamullis@aol.com](mailto:dianamullis@aol.com) or 304.267.3482) – Not too keen on hiking? No problem. Diana is offering the front porch of her lovely home to do the counting. It is not unusual to see red headed woodpeckers as you sit there!

THE CAPE MAY FIELD TRIP 5/15-5/16 – Consider attending and get some pledges for your species count. Call Patsy or Ken Hunter to join in ([phunter@npca.org](mailto:phunter@npca.org) or 304.725.3936).

Happy Birding! Call Susan Brookreson at 304-263-2823 if you have questions.

Sunday May 23 at 7:30a.m. we will explore The Nature Conservancy's Altona Marsh in Jefferson County. We will meet at the parking lot for the small shopping center at Tusawilla Shops on Tusawilla Hill Drive off Rt. 50 between Middletown and Charles Town. We'll walk down the tracks looking for whatever the marsh has to offer – among the regulars in the past have been yellow warblers, common yellowthroats, willow flycatchers etc. and last year we had a pair of nesting red-headed woodpeckers! So come and join us.
