COVID-19 Warning and Disclaimer

Updated: 12/1/22

PVAS has developed policies and procedures for program operations based on CDC, state, and local health guidelines. COVID-19 is an extremely contagious virus that spreads easily through person-to-person contact. COVID-19 can lead to severe illness, personal injury, permanent disability, and death. Federal and state authorities recommend physical distancing as a means to prevent the spread of the virus. Participating in our programs could increase the risk of contracting COVID-19. PVAS in no way warrants that COVID-19 infection will not occur through participation in our programs or accessing PVAS facilities.

I understand the above and assume said risks associated with COVID-19 on behalf of myself and all those I am registering for a program.
